

## IMPORTANT ROADWORKS INFORMATION

30 December 2025

### B2112, Ditchling

Dear Resident / Business owner,

Balfour Beatty is working in partnership with East Sussex County Council to manage the highways service across East Sussex. We will soon be carrying out carriageway improvements on the B2112, Ditchling.

### When do they start?

Work will be carried out from **Wednesday 28 January to Friday 30 January 2026** between 8pm and 6am. We will inform you of any changes to the dates or times via advanced warning signs on site.

### What are we doing?

We will be installing new High Friction Surfacing (HFS) to improve the overall carriageway condition and skid resistance.

### How will this impact highway users?

We will be working between the junctions of the B2116 and the B2113.

Access will be restricted to residents while we are working, with traffic diverted via the B2116, the A275, the A272 and vice versa.

For access, please approach the closure point and speak to the site team. This is for access only and there will be no through route. There may be a short delay while we make it safe for you to pass, and your vehicle will be escorted by site marshals. Access for emergency vehicles will be maintained at all times.

### Information for residents and businesses

**Parking:** If required, we will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

**Weather:** All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Properties close to the carriageway may notice some noise, flashing lights, or reversing sirens. We will do our utmost to keep this to a minimum.

We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex highway network. Should you have any concerns regarding these works, you can contact us at [eshcomms@balfourbeatty.com](mailto:eshcomms@balfourbeatty.com).
