

Lewes Road, Ditchling Drainage investigations

We will be completing CCTV surveys of the underground drainage system and using high pressured water to clear the pipework.

We will be working between the junctions of Fieldway to East End Lane.

 **Wednesday 5 to Thursday 6 August** between 8am to 5pm.

The road will remain open with temporary traffic lights in place whilst these works are undertaken.

Please be polite and respectful to the site teams, they are working to keep everyone safe.

Thank you for your patience while we carry out these improvements

How will you be affected?

Noise: Properties close to the carriageway may notice some noise, flashing lights, or reversing sirens. We will do our best to keep this to a minimum.

Parking: 'No parking' cones will show where parking is restricted. Please avoid parking here as it will delay us.

Weather: All works are subject to weather conditions. If it rains or is too hot, it may affect progress.
