12 December 2023

Dear Julia

Re: Ditchling Parish Council
Internal Audit Year Ended 31 March 2024 – Interim Audit report

Executive summary

Following completion of our interim internal audit on 12 December 2023 we enclose our report for your kind attention and presentation to the council. The audit was conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not at the interim audit. Where appropriate **recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Ditchling Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Michelle Webber on behalf of Mulberry & Co. We confirm we are independent from the management of the financial controls and procedures of the council and neither the internal auditor or the firm have any conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Your auditor has over 27 years' experience in the financial sector with the last 12 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter

An engagement letter was previously issued to the council covering the 2023/24 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR. As part of the inherent risk assessment, we have concluded that:

- There have been no reported instances of breaches of regulations in the past
- The client uses an industry approved financial reporting package
- The client regularly carries out reconciliations and documents these
- There is regular reporting to council
- The management team are experienced and informed
- Records are neatly maintained and referenced
- The client is aware of current regulations and practices
- There has been no instance of high staff turnover

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

A. BOOKS OF ACCOUNT

Internal audit requirement

Appropriate accounting records have been properly kept throughout the financial year.

Audit findings

The interim audit was conducted on site with the Locum Clerk, who also acts as the council's locum Responsible Financial Officer (RFO). The Clerk had prepared the information advised in advance of the visit, and I have the impression that accounting records are neatly maintained and easily accessible. Other information was reviewed through discussion with the Clerk and a review of the council website www.ditchling-pc.gov.uk

The council continues to use the Rialtas Business Solutions (RBS) accounting package for recording the day-to-day financial transactions of the council. This is an industry specific accounting package and I make no recommendation to change. The system is used regularly to record transactions and produce management information reports for review at council meetings.

B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Check the publication and minuting of the prior year audited AGAR and notice of conclusion of audit

The external auditor's report for 2022/23 has not been completed, External auditors' comments 'We are unable to complete our review work on the AGAR and supporting documentation as a result of correspondence received in relation to 2022/23 and/or prior years. Once we have finalised our review and completed any additional work arising from that correspondence, a final report will be provided with the certificate of completion detailing any qualifications and 'other' matters. Our fee note for the limited assurance review will be issued when we certify completion. I will review this at year end, as this matter is still pending. The External auditor interim report and notice was published on the councils website.

Confirm by sample testing that councillors sign statutory office forms

I was unable to confirm testing that councillors sign "Acceptance of Office" forms., this will be reviewed at year end. The council website provides details of the individual councillor's Register of Members' Interests forms.

Confirm that the council is compliant with the relevant transparency code

As the council's income and expenditure exceeds £25,000, it is not a statutory requirement to follow the requirements of the Local Government Transparency Code, although it is recommended best practice to do so. I recommend reviewing the way the information is published on the website of Upper Beeding Parish Council as a best practice example via this link www.upperbeeding-pc.gov.uk/finance-transparency

Confirm that the council is compliant with GDPR

The council is fully aware of GDPR and has undergone training. It was noted the council has established common email addresses for all councillors. This is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

The council has a Privacy Notice and Accessibility Statement on the home page of its website, and it is clear the council has made every effort to comply with the website requirements.

Confirm that the council meets regularly throughout the year

In addition to full council, the council has a committee structure in place. Terms of reference for each committee are published on the council website, along with future meeting dates and historic agendas and minutes for council and committee meetings.

Check that agendas for meetings are published giving 3 clear days' notice

I was able to confirm that at least 3 clear days' notice is given on agendas. Whilst we have not tested every single committee and council meeting there was no evidence of non-compliance in giving three clear days' notice of the meeting.

I remind council it is required to also post any supporting documentation with the agendas as outlined by the Information Commissioner's Office (page 3 of this link) ico.org.uk/minutesandagendas.pdf

Check the draft minutes of the last meeting(s) are on the council's website

Draft minutes are uploaded to the council website. It is recommended to state on the website page that all minutes are draft until adopted at the subsequent meeting.

Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months

The Standing Orders are based on the current NALC model and were most recently reviewed and adopted by council on 30 May 2022 (minute ref 9).

I would recommend that the council reviews the standing orders before year end, to comply with the audit regulation.

Confirm that the Parish Council has adopted and recently reviewed Financial Regulations

Financial Regulations are based on the current NALC model and were last reviewed and adopted by council in 27 March 2023 (minute ref 11). The regulations contain provisions for the approval of spending, setting of budgets, reconciliation of the bank and reporting to council.

Check that the council's Financial Regulations are being routinely followed

The council has thresholds in place at which authorisations to spend must be obtained as below:

FR 4.1. Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:

- *the council for all items over £5,000;*
- *a duly delegated committee of the council for items over £1000; or 7 7 Reviewed and adopted on 27 March 2023*
- *the Clerk, in conjunction with Chairman of Council, Vice Chairman or Chairman of the appropriate committee, for any items below £1,000 and over £500.*
- *The Clerk for any items £500 and below in accordance with paragraph 4.6 below*

I would recommend the clerk level of expenditure is increased £1,000 which would be in line with 4.5 regulation below.

Such authority is to be evidenced by a minute or by email confirming agreement with the Clerk/Chairman/Vice Chairman or appropriate Committee.

Contracts may not be disaggregated to avoid controls imposed by these regulations

FR 4.5. In cases of extreme risk to the delivery of council services, the clerk may authorise revenue expenditure on behalf of the council which in the clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £1000 The Clerk shall report such action to the chairman as soon as possible and to the council as soon as practicable thereafter.

Based on the level of financial activity of the council, these authorisation thresholds appear appropriate.

I tested a sample of invoices and found these had been approved in accordance with the thresholds contained within the Financial Regulations, and approval, where needed, recorded in the minutes of meetings.

The council has Financial Regulations in place regarding the award of contracts, and this includes:

FR 11.1 (h) When it is to enter into a contract of less than £25,000 in value for the supply of goods or materials or for the execution of works or specialist services other than such goods, materials, works or specialist services as are

excepted as set out in paragraph (a) the Clerk or RFO shall obtain 3 quotations (priced descriptions of the proposed supply); where the value is below £3,000 and above £500 the Clerk or RFO shall strive to obtain 3 estimates. Otherwise, Regulation 10.3 above shall apply

The council has not reviewed any contracts and tenders since April 2023.

Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £9.93 per elector

The council has adopted the General Power of Competence (GPC) and the section 137 thresholds do not apply.

Check receipt of VAT refund matches last submitted VAT return

The council submits its VAT return on a quarterly basis. I reviewed the submission for the period ending 30 September 2023 which showed a refund amount due of £4,410.77. I was able to confirm receipt of this amount to the council's bank account on 11 October 2023. The council is up to date with its VAT submissions.

Confirm that checks of the accounts are made by a councillor

The system noted above details internal review takes place and I am under no doubt that council properly approves expenditure.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

The council has a risk management policy which was most recently reviewed and approved by council on 13 November 2023 (minute ref 8). I reviewed the policy and the risk assessment record, which details the types of risk identified, who might be harmed and how, assigns a perceived risk level, records action taken and how the risk is managed. This type of approach is suitable for a council of this size with limited risks and demonstrates that the council takes its risk management responsibilities seriously. On discussion with the clerk, it being updated at present. I will review this at year end.

I confirmed that the council has a valid insurance policy in place with Hiscox which expires on 31 May 2024. The policy includes Public Liability and Employers Liability cover of £10 million each and a Fidelity Guarantee of £250,000 which is sufficient for a council of this size. The listed asset cover appears appropriate based on the items recorded on the council's asset register.

I would recommend increasing the Fidelity cover to £300,000-£350,00, this is covering the council funds at its highest level.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

The council set a precept of £110,893 for 2023/24. With a tax base of 1,143.2, this equates to a band D equivalent of £97.00 (compared to the average in England of £79.35).

The Clerk confirmed that the 2024/25 budget setting process is scheduled to 13 November with a meeting of the Finance Committee, with the aim to agree the budget and precept at the 9 January 2024 council meeting.

The Clerk presents the budget performance information at every quarterly council meeting for review. This shows spend against budget although it is currently missing a 'percentage spend' figure, which may help councillors understand the information more clearly.

The council began the year with a balance of £199,385 with £134,000 of this amount earmarked for the use of legitimate projects. This leaves circa £65,000 as a general reserve.

The Joint Panel on Accountability and Governance (JPAG) Practitioner's guide states *'the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority's general reserve is that this should be maintained at between three and twelve months of net revenue expenditure'* (para 5.33). The general reserve balance is within the recommended range.

E. INCOME

Internal audit requirement

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Audit findings

Apart from the precept, the council budgets to receive income from the burial fees, rents, and interest. The council reviewed its fees and charges at the meeting held on 27 November 2023 (minute ref 9).

Unbudgeted amounts received during the year came from CIL, donations, and VAT refunds. From a review of the accounting records, income appears to be recorded with sufficient narrative detail to identify the source and allocated to the most appropriate nominal code.

F. PETTY CASH

Internal audit requirement

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for.

Audit findings

The council has no petty cash.

G. PAYROLL

Internal audit requirement

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

The locum Clerk is the only employee however the locum invoices the council for the hours worked. The locum clerk has a signed contract of employment, based on the NALC template. The salary is aligned to the NJC scale point range.

The council uses Bright pay for processing payroll, who calculates the PAYE and pension deductions. The pay role is on hold at present pending the new Town Clerk starting. This is to be reviewed by council on the decision of continuing in house or outsourcing the payroll function.

I reminded the Clerk that only salary, HMRC and pension payments should be included in box 4 on the Annual Governance and Accountability Return (AGAR) and any other staff costs should be recorded in box 6.

There are no councillor allowances.

H. ASSETS AND INVESTMENTS

Internal audit requirement

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

The council has a fixed asset register in place which includes details of asset location, date of acquisition, cost or proxy cost, condition, estimated useful life and insurance and replacement values. Assets are correctly listed at cost/proxy cost, or where gifted/donated, given a nominal £1 value for the purpose of the asset register.

The council does not have any Public Works Loan Board (PWLB) loans.

The council has no long-term investments.

I. BANK AND CASH

Internal audit requirement

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

Financial Regulation 2.2 states 'On a regular basis, at least once in each quarter, and at each financial year end, a member other than the Chairman shall be appointed to verify bank reconciliations for all accounts produced by the RFO. The member shall sign the reconciliations and the original bank statements (or similar document) as 5 5 Reviewed and adopted on 27 March 2023 evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the council.'

Bank reconciliations are completed monthly and presented to council at every meeting for review. I reviewed the reconciliations presented for the interim audit and was able to confirm the balances to the bank statements and found no errors.

I noted that the reconciliation and bank statement have been signed by the chairman in accordance with the Financial Regulations.

Balances held are not within the £85,000 protection limit offered by the Financial Services Compensation Scheme (FSCS). The council is looking to opening new bank accounts to address this situation.

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

Testing to be conducted at final audit.

K. LIMITED ASSURANCE REVIEW

Internal audit requirement

IF the authority certified itself as exempt from a limited assurance review in 2022/23, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2022/23 AGAR tick "not covered")

Audit findings

The council did not certify itself exempt in 2022/23 due to exceeding the income and expenditure limits and this test does not apply.

L: PUBLICATION OF INFORMATION

Internal audit requirement

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation

Audit findings

Testing to be conducted at final audit.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS**Internal audit requirement**

The authority has demonstrated that during summer 2022 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – key dates	2022/23 Actual
Date AGAR signed by council	15 May 2023
Date inspection notice issued	5 June 2023
Inspection period begins	6 June 2023
Inspection period ends	17 July 2023
Correct length (30 working days)	Yes
Common period included (first 10 working days of July)	Yes

I am satisfied the requirements of this control objective were met for 2022/23, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council.

N: PUBLICATION REQUIREMENTS**Internal audit requirement**

The authority has complied with the publication requirements for 2022/23. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Before 1 July 2023 authorities must publish:

- *Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited*
- *Section 1 - Annual Governance Statement 2022/23, approved and signed, page 4*
- *Section 2 - Accounting Statements 2022/23, approved and signed, page 5*

Not later than 30 September 2023 authorities must publish:

- *Notice of conclusion of audit*
- *Section 3 - External Auditor Report and Certificate*
- *Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.*

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Audit findings

I was able to confirm that the Notice of Public Rights is published on the council website. The Notice conclusions is not uploaded as external auditor is still undertaking the year end audit. publication requirements for 2022/23 have been met.

O. TRUSTEESHIP**Internal audit requirement**

Trust funds (including charitable) – The council met its responsibilities as a trustee.

Audit findings

The council has no trusts.

Achievement of control assertions at interim audit date

Based on the tests conducted during the interim audit, our conclusions on the achievement of the internal control objectives are summarised in the table below. A further review and update of this opinion will be conducted at the final audit.
